

**WORKSHOP CUM HANDS ON TRAINING
ON
TOOLS AND TECHNIQUES OF MOLECULAR BIOLOGY & BIOINFORMATICS**

**Sponsored by Department of Biotechnology,
Ministry of Science & Technology, Govt. of India**

**Organised by-
Institutional Biotech Hub
North Lakhimpur College (Autonomous), Assam**

The Institutional Biotech Hub, North Lakhimpur College, Assam is going to organise a two day DBT sponsored Workshop cum Hands on Training on **Tools and Techniques of Molecular Biology & Bioinformatics** on 27th & 28th March, 2015. **Dr. Probodh Borah**, Professor of the Department of Microbiology & Coordinator of State Biotech Hub, Assam Agriculture University, Khanapara, Guwahati will grace the occasion as an honourable resource person. Participation in the workshop is open to College teachers, Research Scholars, School Teachers and to all those who are interested in Molecular Biology & Bioinformatics. But number of participants will be restricted. Interested persons are requested to send their confirmation on or before 25th March, 2015 to the Coordinator, Organizing Committee online (Mo. 09435084586 e-mail : pkmitra94@rediffmail.com)

The organizing Committee will offer hospitality to the participants which would include tea, breakfast and lunch during the workshop hours. The organizing committee will not bear Travel & accommodation cost for the participants.

PROGRAMME (Tentative)

27/03/2015	9.00-10.00am	Registration & Breakfast
	10.00-10.45am	INAUGURAL SESSION (including felicitation)
	10.45-11.00am	Tea Break
	11.00-1.00 pm	Technical Session –I (Theoretical) Resource person : Dr. Probodh Borah Professor, Dept. of Microbiology & Coordinator, State Biotech Hub College of Vet. Science, AAU, Guwahati Interactions with the participants
	1.00-2.00 pm	Lunch Break
	2.00-5.00pm	Technical session –II (Hands on Training) Demonstration on Molecular Biology Tools <ul style="list-style-type: none"> • Isolation of Plant DNA • PCR Amplification • Gel Preparation and Electrophoresis • DNA bands observation
28/03/2015	9.30-11.15am	Technical Session –III (Theoretical) Resource person : Dr. Probodh Borah Interactions with the participants
	11.15-11.30am	Tea Break
	11.30-1.15pm	Technical Session –IV (Practical) Bioinformatics
	1.15-2.00pm	Lunch Break
	2.00-3.00pm	Valedictory function Vote of thanks
